Items left with your pet may not always be returned. If returned, they may be in poor condition. >We are not responsible for those items or their condition.

Should your dog injure a staff member, customer or another dog, you will be held liable and responsible for any costs incurred.

**EARLY DROP-OFF & LATE PICK-UP** – Early drop-off is a complimentary service provided to our boarding and daycare guests by appointment. Late pick-up for our daycare guests is a complimentary service provided there is a form of payment or a daycare package on file. Late pick-up for our boarding guests is any pick-up after our check-out time, which is close of our lobby (7pm weekdays and 5pm on weekends). Like any other hotel, check-outs after check-out time is charged \$50.

**HOLIDAY DROP OFF/PICK-UP** – Drop off/Pick-ups on holidays may be scheduled by appointment only. Much like our late check-out policy, as we will be unable to re-book the room, we will charge for the entire holiday stay (dates we are closed). We will require a credit card to be held on file.

**COMPLIMENTARY KENNEL BATH** – All pets that stay with us for 4 nights or longer will receive a complimentary kennel bath the day before departure, this does not apply to those picking up after hours on the 4th “night”. This complimentary service is a bath and blow-dry given by our kennel staff. It may not be available during very busy holiday weeks. Grooming services such as nails, de-shedding, brushing, glands, etc. can be requested.

**REQUIRED VACCINATIONS** – We require proof of current Rabies, Bordetella, and DHPP, and Leptospirosis, and Canine Influenza (H3N2/H3N8)

NOTE: BORDETELLA (Kennel cough) – Bordetella is a common ailment which can be contracted any time there are multiple pets together. A like comparison is to equate Bordetella to colds and flu that children contract when they go off to school, summer camp or daycare. We recommend revaccination every 6 months for Bordetella. We do not cover the cost of treatment should your pup contract bordetella.

**INTESTINAL UPSET** – Although we offer a Science Diet Sensitive Skin & Stomach, we HIGHLY recommend that you provide your own food for your pet. If you do not use your own diet and your pet experiences an intestinal tract upset that results in the need for veterinary care all fees and expenses will be charged to you at check out. This includes change in environment, stress and anxiety.

**DESTRUCTIVE BEHAVIOR** – In the event that your pet destroys any of our furnishings you will be asked to cover replacement costs – not to exceed \$100.00 per guest.

INFESTATION – Pets entering this resort must be free of fleas and ticks. Any pet found with fleas or ticks will be flea bathed or dipped and have preventative products applied. Should this happen you will be asked to cover the costs of these services – not to exceed \$100.00 per guest.

Our first and foremost concern is the health and wellbeing of your pet. We reserve the right, in our sole discretion, to pick up and/or carry your pet should we deem it reasonably necessary. In the event, that an injury occurs you agree we are not liable for the same. In order to provide the best boarding experience for your pet, we reserve the right to alter programs or get veterinary care for your pet. Any such alterations that result in extra costs will be charged to you at check out.

I agree that if someone other than the undersigned is to pick up my pet on the departing date, I will provide either verbal or written authorization.

I hereby grant Pet Resort Dallas permission to obtain any needed veterinary treatment required for my pet at my expense. I have read this agreement and understand its terms and conditions. I entrust Pet Resort Dallas to care for my pet(s) for current and future boarding.
